

Why did we create Honey Lodge?

"It's our way to help grandmother earth and our plant relatives."

"Our bees are connected to everything in nature. They are our relatives and they need our help."

~Lakota Youth Entrepreneurs

LAKOTA HARVEST ✨ 100% PURE ✨ RAW HONEY

Honey Lodge is a unique social enterprise, conceived and operated by Lakota youths on the Rosebud Indian Reservation. These young entrepreneurs were seeking a sustainable way to support their non-profit's after-school and summer programs while creating a future job source and economic driver for youth in their community. They are responsible for harvesting, processing and bottling of their honey products. Your purchase helps support their programs. *Pilamaya-Thank You!*
